

WOODSTOCK LEGION ATHLETIC CLUB

Where Personal Bests are the Greatest Success

WLAC
PO Box 20232
Woodstock, Ontario
N4S 8X8

To whom it may concern:

The Woodstock Legion Athletic Club is seeking sponsorship for the 2016 Track and Field season. WLAC co-operates with the usage of our equipment for all Thames Valley District School Board track and field events, high school training and elementary district meets.

Our club was established in 1982 by co-founders David Bond and Mike Robinson, with Catherine Bond-Mills as an original member. Catherine, along with her father, David, are members of Woodstock Athletic Hall of Fame.

WLAC offers a variety of year round programs for all ages, including Cross Country and Track and Field training for non-competitive and competitive levels. We also offer a Summer Day Camp that strives to create an inclusive environment for children to learn basic track and field skills, life skills and stay fit.

Please view our sponsorship increments below. In exchange, your electronic logo will be scrolled on our website, www.wlac.com, and will also be posted on our sponsorship board at the Terry Fox Memorial training facility located at College Avenue Secondary School. Your sponsorship dollars will contribute to the purchase of new equipment; repairs to equipment, travel costs and coaching expenses.

Thank you for helping keep the youth in our community active. We look forward to hearing from you.

Annual Donation	\$50.00-100.00
Biennial Donation	\$150.00-200.00
Five year Donation	\$500.00-800.00
